

MILITARY TOURNEY FOR LIBERTY DAY HERE

Children's Parade and Exciting Events at Warner Park, With Possible Sham Battle.

LIBERTY LOAN DAY PROGRAM.

Friday, April 26, 1918. Schools to be closed all day. General half-holiday to be declared by Mayor Jesse M. Littleton. Manufacturers close half day. Merchants close half day. Children's parade in the morning. Military tournament, beginning at 1:30 o'clock, in Warner park.

Friday, April 26, has been declared as liberty day by the president of the United States, and on this day liberty loan celebrations will be given throughout America.

Members of the Chattanooga organization decided at a meeting Saturday morning to celebrate with a large military tournament at Warner park on this date, which will start promptly at 1:30 o'clock. The same committee which handled the third liberty loan demonstration recently held in Chattanooga were placed in charge of all arrangements. The committee is composed of Fred Cantrell, chairman; Jack O'Donohue, vice-chairman; Mark Wilson, Capt. Jack Ryan, Baxter Bender and V. D. Robinson. A committee composed of W. M. Elliott, Capt. Ryan, Mark Wilson and Mr. Bender was appointed to call upon Gen. J. B. Erwin and H. P. Birmingham immediately and, together with these military officials of Oglethorpe and Greenleaf, map out a military program for the tournament.

The idea of the committee is to have something new on this day, something which Chattanooga people as a whole have not been able to see. While it is true the boys are learning to "go over the top" every day right at Chickamauga, few citizens visit the camp except on Sunday afternoons at a time when the soldiers are not receiving these instructions.

A regular sham battle, staged by two companies of infantry of about 400 men, is suggested. A realistic bayonet exhibition is another. There are very few people here who have seen a battalion of field artillery in action. This is another attractive feature under consideration.

These things will be given if such a program can be worked out by the military officials at the camp, together with monkey drills, relay races and some stunts by the cavalry.

Children's Parade.

The Junior league, with Mrs. T. H. McClure as chairman, serving with her on the committee, headlined by J. W. Johnson, Jesse M. Littleton, C. C. Nottingham and Oliver Andrews, is planning to open the "liberty day" celebration with a children's parade, in which all of the school children of the city will be asked to take part. The parade will be given about 11 o'clock on Friday morning.

Children of the private schools and public schools will be invited to be in the parade, together with the boys from Taylor, McCallie, Chattanooga High and Central High schools in uniforms. In addition to these, there will be the children of the Vine Street Orphan's home, Bonny Oaks, the Day Nursery, the Hearst Fire Girls, the Children's Refuge association and any other organizations which include children. There will be no grown-ups to march.

It was announced that there will be something like 7,000 in the formation.

TOURING CAR GOES THROUGH DRAWBRIDGE

No Trace of Identity of Occupants Could Be Learned—Police Trying to Rescue Car.

Philadelphia, April 20.—Police today are grappling in the Schuylkill river for a large black touring car which is reported to have crashed through a bridge gate leading into an open drawbridge over the river at Gray's Ferry road.

No trace of the identity of the occupants could be learned, but the police this morning had succeeded in hooking the car several times, but each time the machine slipped away.

Splintered glass from the windshield and bits of broken wood from the gate littered the runway.

THOUGHT SHE WOULD NEVER STOP COUGHING

A Choking Sensation in Chest Caused a Great Deal of Suffering.

TWO BOTTLES GAVE RELIEF

Mrs. Newman Says She Never Saw Such a Medicine as Lung-Vita.

"I have been suffering with asthma about three years. I would have coughing spells sometimes and it looked as if I could never stop coughing," says Mrs. C. S. Newman, who lives at 1303 Shelby avenue, Nashville, Tenn. "At times a choking sensation would cause me intense suffering. I tried everything that any friend would recommend, but did not get much relief. One day someone left a circular in my front yard. This circular had testimonials in it stating how much good Lung-Vita had done other people, so I bought me a bottle. So far I have taken two bottles of the medicine and I can say that I never saw such a medicine. It has done me more good than all the medicine I had been taking. I can recommend Lung-Vita to anyone with asthma." Lung-Vita is sold by druggists and dealers.—(Adv.)

R. O. T. C. MEN HOSTS IN HONOR OF CAMP McLEAN INSTRUCTORS

First Battalion Entertains With Banquet as Farewell to Maj. Catts, Capt. Hobson and Capt. Brownell.

The First battalion of the reserve officers' training camp, which is composed of 250 men, entertained with a farewell banquet Friday evening at the Hotel Patten, in honor of Maj. Gordon Catts, of the Fifty-fourth infantry, commanding officer; Capt. Walter E. Hobson, of the Ninth infantry, senior instructor, and Capt. Gilbert S. Brownell, Fifty-fifth infantry, adjutant.

The dinner was served in the main dining room. The large room was attractively decorated. A profusion of flags were used as draperies on the side walls. Vases of red and pink roses and red carnations adorned the table. Roses scattered over the table also gave a pretty effect.

Music was furnished by the battalion orchestra. Many songs, including "Over There," "Hall, Hall the Gang's All Here," "Long, Long Trail" and "Dixie" were sung by the boys with enthusiasm.

Capt. Hobson acted as toastmaster. Cheering of the boys in khaki attested to the fullest admiration with which they regard the officers, who have during the past months, coached them in the art of war.

Attractive booklets, tied with the training camp colors, containing the menu and roster of the first, second and third companies were presented to each guest.

The menu consisted of celery, radishes, olives, consommé, broiled Spanish mackerel, julienne potatoes, grilled spring chicken, maitre d'hotel, potatoes, rissole, peas in ravigote, lettuce and tomato salad, brick ice cream, assorted cakes, coffee.

REAR ADMIRAL E. R. STITT.

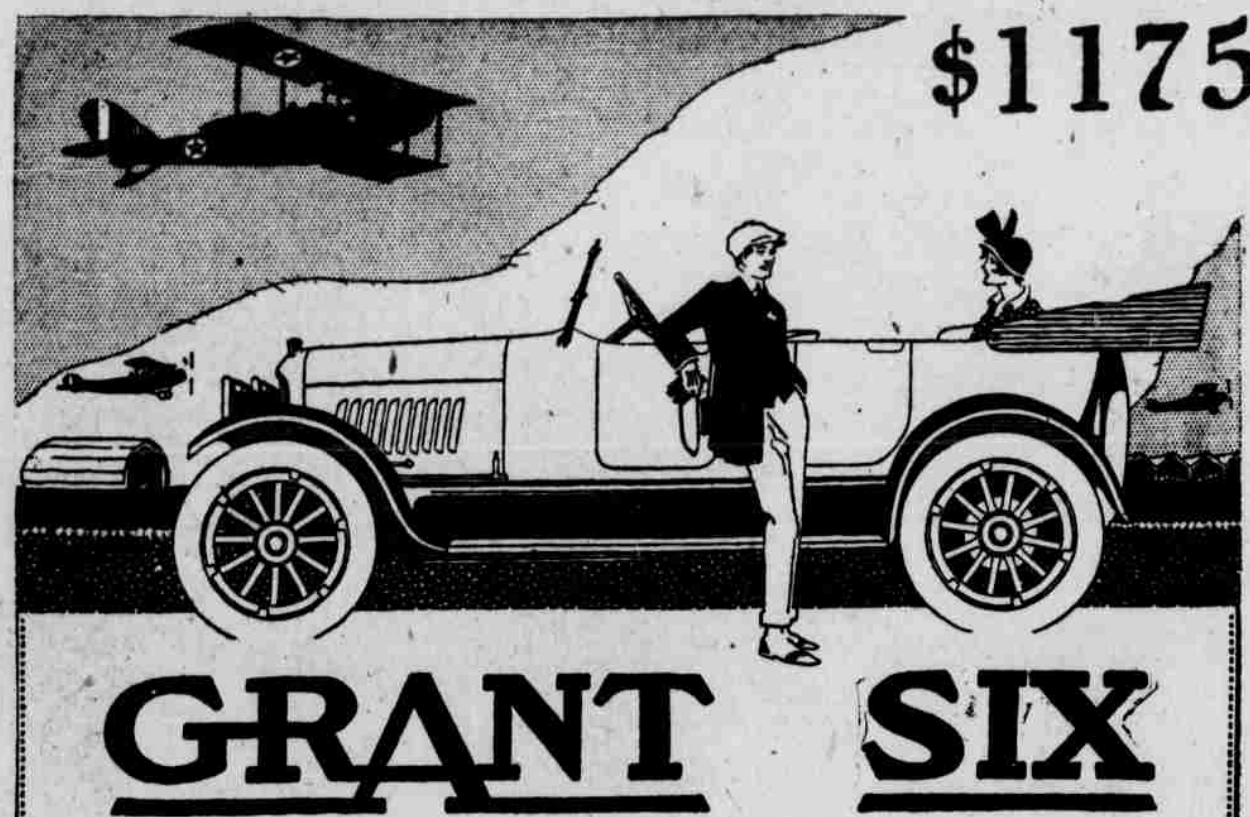

Distinguished naval officer who spent last week in Chattanooga, having come here to conduct the examination for bacteriology for the national board of medical examiners at Camp Greenleaf.

novelty. The Breens have danced their way around the world, and throughout their trip their efforts not only gained favorable attention of the people, but of royalty as well. Miss Nellie Breen, the premier dancer of the family, studied in Europe under the direction of Mme. Goshel, of the Paris Grand Opera, and in America under the Italian ballet master, Signor Albertini, late ballet master of the Metropolitan Opera company. Recently they were featured with Montgomery & Stone in "Chin Chin." The entire Breen family is talented, but the palm of ability is awarded to Tom and Nellie. First on the program the first half of the week is Libonati, the wizard of the xylophone. His act is followed by that of Bertie Herron, billed as "The Minstrel Girl." Third is "A Helen Business man." Fourth is Reginald & Sister, one of vaudeville's classic singing acts. The bill closes with the Aeroplane Girls in their up-to-the-minute sensation.

First on the bill the last half of the week is Canaris & Cleo in a comedy magical offering. This act is followed by that of Carbay & Cavanaugh in an eccentric dancing offering. Third on the program is Martha Hamilton & Co. in a comedy scream. "Oh, You Women!" Fourth is Dooley & Sales, the famous vaudeville headliners, in "Will Yer Jim?" The bill closes with the Breen Family.

Rhea County Mill Man Meets Tragic Death

Charles Monday, a sawmill man at Roddy, was struck by a Cincinnati Southern passenger train at the railway crossing at that place late Friday afternoon and almost instantly killed. He had crossed the track after a freight train passed, according to information, and in the path of the approaching passenger train. Mr. Monday operated two sawmills, one at Roddy and one near there.

Smooth-Running As An Airplane

THERE is something of the buoyant quality of the airplane in the way the GRANT SIX rides. For this the long 46-inch cantilever rear springs are mainly to be credited, but car balance and light weight help to a marked degree. And the double decked cushion springs add their important share to the riding comfort for which the GRANT SIX has become so well known.

Another point which people have remarked about is the almost complete absence of vibration in the power plant.

The GRANT SIX overhead-valve engine runs smoothly at all speeds. It is powerful and flexible and quiet.

To make sure of your GRANT SIX we advise the placing of your order now. \$1,175 f. o. b. Chattanooga.

Lend Him a Hand!

Here is YOUR Boy—going over the top, his gun in hand, his jaw set, his heart on fire. It is the most dramatic moment in the life of this soldier—and in the life of this nation.

His heart and mind are set on one thing—VICTORY—victory over an enemy who stands for acts and ideas which this soldier despises—which he is ready to give his life to destroy.

We here at home hate these things, too. We are pledged to their destruction—to our last dollar and our last man. But this soldier can actually get his hands on them and root them out of the world forever—if we will lend him a hand.

This Boy Is the Symbol of Fighting America

He stands for the aspiration, the conviction of a hundred million people translated into action. He is doing what the rest of us are dreaming. Only through him can we win the Victory.

But He Can't Do It With His Bare Hands! He asks you to back him up with guns, shells, tanks, airplanes. Let's lend him a hand by lending our dollars. Then no power in the
